that any service request can be processed only after the Folio is KYC compliant.

13. Members are requested to notify immediately change of address, if any, to their Depository Participants (DPs) in respect of their shareholding in Demat Accounts and to the Company's Registrar & Share Transfer Agent in respect of their shareholding in physical segment by mentioning folio nos., etc.
14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company or its Share registrars and Transfer Agents.
15. The Ministry of Corporate Affairs has taken 'Green Initiative in the Corporate Governance' by allowing paperless compliances by the Companies and has issued circulars stating that service of notice/documents including Annual Report can be sent by e-mail to its members. In this regard we solicit your co-operation to update our databank. Members who have not registered so far, are requested to register their e-mail address, contact telephone number, PAN and Bank Account details, ECS Mandate in respect of electronic holdings with the Depository through their concerned Depository Participants PAN and Bank Account details.
16. In terms of Section 108 of the Act read with the Companies (Management and Administration) Rules, 2014, Regulation 44 of the Listing Regulations and the MCA Circulars, the Company has provided the e-voting facility through CDSL. This facility is being provided to the Members holding shares in physical and dematerialized form, as on the cut-off date to exercise their right to vote by electronic means on any or all of the business specified in the accompanying Notice.
17. The Board of Directors of the Company has appointed CS. Dipak Jogi, Practicing Company Secretary, Gandhidham as a Scrutinizer to scrutinize the voting during EGM and remote e-voting process in a fair and transparent manner.

The results declared along with Scrutinizer's Report shall be placed on the Company's website i.e. [www.rajvilogitrade.com](http://www.rajvilogitrade.com), on the website of CDSL and shall also be communicated to the Stock Exchanges where the shares of the Company are listed.

## **PROCEDURE AND INSTRUCTIONS FOR EVOTING**

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Thursday, 26<sup>th</sup> September, 2025 (9.00 a.m. IST) and ends on Sunday, 29<sup>th</sup> September, 2025 (5.00 p.m. IST) During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd September, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated

## **MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT**

Your Directors have pleasure in presenting the Management Discussion and Analysis report for the year ended on 31<sup>st</sup> March 2025.

### **INDUSTRY STRUCTURE AND DEVELOPMENT:**

India's logistics sector is the backbone of its economy, facilitating the movement of goods and services across vast geographical regions. The industry is rapidly evolving, driven by infrastructure advancements, policy reforms, digitalization, and sustainable initiatives. With the implementation of projects like PM Gati Shakti and dedicated freight corridors, India is moving towards an integrated and efficient logistics ecosystem.

In recent years, there have been significant developments in infrastructure, digitalisation, and sustainability within India's logistics sector. Initiatives like "Make in India" and the "Unified Logistics Platform" (ULIP) is promoting transparency through digitisation, leading to faster processing, optimized costs, and improved shipment tracking. Additionally, adopting technologies such as automation, robotics, artificial intelligence (AI), Consolidation of warehousing and the implementation of Fastag-enabled expressways further enhance efficiency.

The logistics industry is actively embracing green technology, including alternative fuel vehicles and renewable energy, to minimise emissions and enhance sustainability. These initiatives, supported by GOI, are crucial in creating a greener and more efficient logistics ecosystem.

### **OPPORTUNITIES AND THREATS:**

The Transportation and Logistics business is evolving, keeping in line with the technological and infrastructural developments and various policy reforms taken by the government, including the introduction of e-way bills, fast-tag, e-invoicing, and GPS-based toll collection is playing a critical role. Various Policy initiative of the Government of India to improve sector create Optimistic future for the Transport industry.

The logistics industry in India faces several key challenges that impact its operations and overall efficiency. Transportation costs, including fuel expenses, have a significant impact on logistics operations. Fluctuating fuel prices can make it challenging to predict and manage costs effectively, poor infrastructure of roads, it is also exposed to market risks and financial risks like sudden changes in the Government policies and laws, increase in the prices of component parts and fuel, increase in the hiring charges of vehicle etc.

Recognizing the crucial significance of the transportation industry consistent attempts are

being made by government through various infrastructure projects and policies to improve the efficiency and eliminate the growth barriers.

### **RISKS MANAGEMENT AND CONCERNS:**

Company believes that effective and sustained risk management, which includes identifying significant risks the Company is or may be faced with and developing risk assessment and mitigation procedures to manage such risks. Key risks we face and our strategies to mitigate them:

**Transitional Damage Risk:** The potential impacts include the threat of destruction, cargo loss due to common transit dangers such as pilferage, shrinkage, and unpredictable circumstances like accidents. To mitigate these, all our trucks are insured against loss or damage caused by accidents or other transit hazards.

**Fluctuating Fuel Price Risk:** Fuel price fluctuations can significantly influence our profitability and operations. In particular, the cost of fuel has increased in the recent years regularly and fluctuates significantly due to various factors which are beyond our control. We mitigate this risk by adopting a policy of frequent freight rate revisions to account for variations. However effect of the same cannot be avoided altogether.

The Company's business operations are totally dependent on the road network in India. There are various factors that affect the road network such as political unrest, bad weather conditions, natural calamities, regional disturbances or even third party negligence that can affect the condition of vehicles and cargo. Even though the Company undertakes various measures to avoid or mitigate such factors to the extent possible, some of these have the potential of causing extensive impact on operations and assets.

Various other risks being faced are Infrastructure risk, competition risk, Business continuity risk involves financial and non-financial losses, threats or risks that disrupt the functioning of a business.

### **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY**

The internal control system is looked after by Directors themselves, who also look after the day to day affairs to ensure compliances of guidelines and policies adhere to the management instructions and policies to ensure improvements in the system. Internal control measures are composed of numerous rules and procedures established by management which covers significant activities such as, operations, finance and human resources.

As regards the operation of internal controls, majority of these have been inbuilt in the internal procedures established

## INDEPENDENT AUDITOR'S REPORT

To the Members of **Rajvi Logitrade Limited** (Formerly known as Suryakrupa Finance Limited)  
**Report on the Audit of Financial Statements**

### Opinion

We have audited the accompanying financial statements of M/s. **Rajvi Logitrade Limited** (Formerly known as Suryakrupa Finance Limited) ("the Company"), which comprises the Balance Sheet as at 31<sup>st</sup> March, 2025, the Statement of Profit and Loss including statement of Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flow for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2025, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statement in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matter to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	Revenue Recognition	<b>Our procedures included:</b> Understood the revenue and receivable business process for goods transport and assessed the appropriateness of the

		accounting policy adopted by the Company for revenue recognition. We assessed the design and tested the operating effectiveness of internal controls related to revenue recognition, discounts and rebates. We performed sample tests of individual sales transaction and related documents. We assessed that the disclosure of revenue in accordance with Ind AS 115 'Revenue from contracts with customers' are appropriately presented and disclosed in Note No. 2.9 to the financial statements.
--	--	--

### **Information other than the financial statements and auditors' report thereon**

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon;
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated;
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to communicate the matter with those charged with governance.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that the material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our Conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirement regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. **As required by Section 143(3) of the Act, we report that:**
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including statement of other comprehensive income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
  - d) In our opinion, the aforesaid financial statements comply with the IND AS specified under Section 133 of the Act,
  - e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) As per the Ministry of Corporate Affairs (MCA) notification, proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, for the financial year commencing April 1, 2023, every company which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

Based on our examination which included test checks, performed by us on the Company, have used accounting software for maintaining their respective books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except following :

- (i) The feature of recording audit trail was not enabled at the database layer to log any direct data changes for the accounting software used for maintaining the books of accounts relating to general ledger and consolidation process
- (ii) The audit trail was not enabled for certain changes which were performed by users having privilege access rights, for the accounting software used for maintaining the books of accounts relating to the general ledger.

Further, for the period audit trail (edit log) facility was enabled and operated for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.

- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **“Annexure B”**.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of Section 197(16) of the Act, as amended, as there is no payment made to directors, reporting under this clause is not applicable.
- i) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - (i) The Company does not have any pending litigations which would impact on its financial position.
  - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - (iv) (a) Management has represented to us that, to the best of its knowledge and belief, other than disclosed in the notes to the accounts no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) Management has represented to us that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts no funds have received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

(c) Based on our audit procedure conducted that are considered reasonable and appropriate in the circumstances, nothing has come to our attention that cause us to believe that the representation given by the management under paragraph (2) (h)(iv) (a) & (b) contain any material misstatements.

(v) The company has not declared or paid any dividend during the year.

## **“Annexure A’ to the Independent Auditors’ Report**

**(Referred to in Paragraph 1 under Report on other Legal and Regulatory Requirements section of our Report of even date).**

**Report of even date on Companies (Auditors’ Report) Order 2020 (“The Order”) issued by the Central Government in terms of Section 143(11) of the Act.**

- i. In respect of the Company’s Property, Plant and Equipment and Intangible Assets:
  - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, and Plant and Equipment.  
  
(B) The Company does not have intangible assets and has maintained proper records showing full particulars of the same.
  - (b) The Company has a program of verification to cover all the items of Property and Plant and Equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property and Plant and Equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
  - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment during the year.
  - (d) According to information and explanations and representation given to us by the management, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii) a. The nature of business of the Company is such that it does not hold any physical inventories. Thus, paragraph 3(ii)(a) of the Order is not applicable to the Company.  
  
b. According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks of financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- iii) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Therefore, the provisions of Clause 3(iii) (a), (b), (c), (d), (e) & (f) of the said Order are not applicable to the Company.
- iv) The company has not granted any loans or made investments or provided any guarantees or security to the parties covered U/s. 185 and 186 of the Companies Act, 2013. In our opinion and

according to the information and explanations given to us, the provisions of clause 3(iv) of the said Order is not applicable to the Company.

- v) According to the information and explanations given to us, the company has not accepted any deposits from the public to which directives issued by the Reserve Bank of India and within the meaning of Sections 73, 74, 75 and 76 of the Companies Act, 2013 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014, as amended, would apply. Hence, reporting under clause (v) of the Order is not applicable.
- vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under clause 3(vi) of the order is not applicable to the Company.
- vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales-tax, service tax, GST, duty of customs, duty of excise, value added tax and other material statutory dues as applicable, with the appropriate authorities.  
  
(b) According to the information and explanations given to us and the records of the company examined by us, there are no dues of Income Tax, Service Tax, Sales Tax, Customs Duty, Excise Duty and GST which have not been deposited with appropriate authorities on account of any disputes as at 31.03.2025 except Income tax of Rs 14.34 lacs for A.Y.2022-23.
- viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix) (a) The Company has taken loans or other borrowings from lender. However there is no default in repayment and hence reporting under clause 3(ix)(a) of the Order is not applicable.  
  
(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.  
  
(c) The Company has taken term loan during the year and it was used for the same purpose for which it has been taken hence, reporting under clause 3(ix)(c) of the Order is not applicable.  
  
(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long- term purposes by the Company.  
  
(e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- x) a. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3 (x)(a) of the Order is not applicable to the Company.  
  
b. During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

- xi) a. No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.  
  
b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.  
  
c. The Company has not received any whistle blower complaints during the year (and upto the date of this report), and hence reporting under clause (xi) (c) of the Order is not applicable.
- xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable
- xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv) a. As informed to us by the management, the Company has an internal audit system in place however, we have not been provided with copy of said audit reports.  
  
b. We are unable to obtain internal audit reports of the Company, hence the internal audit reports have not been considered by us.
- xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) a. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.  
  
b. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii) There has not been any resignation of the statutory auditors of the Company during the year and hence not applicable.
- xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, as mentioned in "Material Uncertainty Related to Going Concern" section of our audit report of given date, the Company's ability to meet its obligation will depend on continuous financial support from the management and on the fact that the logistics operations started by the Company is continued for a foreseeable period. We, however, state that this is not an assurance as to the future viability of

the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx) The provisions of Corporate Social Responsibility (CSR) is not applicable to the Company and accordingly, reporting under clause 3(xx)(a) & (b) of the Order is not applicable.

## **Annexure 'B' to the Independent Auditors' Report**

(Referred to in Paragraph 2(e) under Report on other Legal and Regulatory Requirements section of our report of even date to the members of **Rajvi Logitrade Limited** (Formerly known as Suryakrupa Finance Limited) as at and for the year ended 31<sup>st</sup> March, 2025).

Report on the Internal Financial Controls over financial reporting under clause (i) of Sub section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the Internal Financial Controls over financial reporting of **Rajvi Logitrade Limited** (Formerly known as Suryakrupa Finance Limited) ("the company") as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### **Management's responsibility for internal financial controls**

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

### **Meaning of Internal Financial Controls over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

According to the information and explanations given to us and based on audit of test of controls, except for strengthening of internal audit function which we were informed that is in process, in our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### 3 Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

The Company does not have significant credit risk exposure to any single counterparty. Concentration of credit risk related to the above mentioned company did not exceed 10% of gross monetary assets at any time during the year. Concentration of credit risk to any other counterparty did not exceed 10% of gross monetary assets at any time during the year.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

#### 3.1 Collateral held as security and other credit enhancements

The Company does not hold any collateral or other credit enhancements to cover its credit risk associated with its financial assets.

### 4 Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

## **NOTES TO FINANCIAL STATEMENTS**

### **1. Corporate Information, Statement of compliance and basis of preparation and presentation**

#### **1.1 Corporate Information**

**Rajvi Logitrade Limited** (Formerly known as Suryakrupa Finance Limited) is a public limited company, incorporated in the year 1986 under the provisions of the Companies Act, 1956 having its registered office at Plot No. 267, Ward 12/B, Gandhidham, Kachchh, Gujarat - 370 201, India.

#### **1.2 Statement of compliance**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

#### **1.3 Basis of preparation and presentation**

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

The Company's financial statements are presented in Indian Rupees, which is also its functional currency.

### **2. Significant Accounting Policies**

#### **2.1 Current Non –Current Classification**

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

#### **2.2 Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary

investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

## **2.3 Taxation**

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### **Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantially enacted by end of reporting periods.

### **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

## **2.4 Property Plant & Equipment**

Property Plant & Equipment are stated at their original cost of acquisition/revalued cost wherever applicable less accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the assets to their location and working condition.

Subsequent expenditure related to an item of Property Plant & Equipment are added to its book value only if they increase future benefits from the existing assets beyond its previously assessed standard of performance.

## **2.5 Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liabilities are not recognised but are disclosed in the notes.

Contingent assets are not recognised but are disclosed in the notes where an inflow of economic benefits is probable.

## **2.6 Depreciation**

Depreciation on Property, Plant and Equipment is provided using the Straight Line Method based on the useful life of the assets as prescribed under Schedule II of the Companies Act, 2013. In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale or disposal, as the case may be.

## **2.7 Financial Instruments**

### **i) Financial Assets**

#### **A. Initial recognition and measurement**

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

#### **B. Subsequent measurement**

##### **a) Financial assets measured at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **b) Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **c) Financial assets at fair value through profit or loss (FVTPL)**

A financial asset which is not classified in any of the above categories are measured at FVTPL.

#### **C. Impairment of financial assets**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment assessment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. Further the company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

## ii) Financial liabilities

### A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in Statement of Profit or Loss as finance cost.

### B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

## iii) De recognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

## 2.8 Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

## 2.9 Segment Reporting

The Company does not have any operating segments during the current tax period.

## **2.10 Fair Value**

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either;

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorized into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs :

Level 1 - quoted (unadjusted) market prices in active markets for identical assets or Liabilities.

Level 2 - inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - inputs that are unobservable for the asset or liability.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorized at the end of each reporting period and discloses the same.

## **2.11 Revenue Recognition**

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Freight Services - Revenue from Transport of goods is recognized at the time when services are performed and there exists reasonable certainty of ultimate collection of the service consideration. Freight income and associated expenses are recognized using a single standard that faithfully depicts the delivery of freight to customer. The stage of completion is assessed with reference to completion of the specific transaction assessed on the basis of the actual service provided as a proportion of the total services to be provided. Generally, the contracts are fixed price, thus the associated cost can be reliably measured.

## **2.12 Earnings Per Share**

Basic earnings per share are computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit after tax as adjusted for the effects of dividend interest and other charges relating to the dilutive potential equity shares by weighted average number of shares plus dilutive potential equity shares.

## 2.13 Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years. No judgements and estimates were required to be made in preparing these financial statements that were critical or material.
